## Summary

Senior designer with 5+ years in branding, digital and advertising, the last 4 in-house in EdTech. Takes design from idea to production: brand systems and identity, key visuals and ad campaigns, websites and interfaces. Builds AI into visual production and validates creatives through testing — **CTR up from 0.9% to 1.3%**. Leads a team of 3 designers.

## Experience

### Art Glück Lead Designer

2022 — Present / EdTech, online school of interior design and architecture / Branding, digital

— Raised **ad creative CTR from 0.9% to 1.3%** by producing many AI-assisted variants for every course and testing them in ads.
— Led the school's rebrand: a new brand system with identity, typography, color palette and brandbook.
— Designed the school's new website within the brand system: over an 8-week comparison with the old site, **lead conversion rose from 3.0% to 3.9%**.
— Lead a team of 3 designers: assign tasks, run design reviews and make the final design calls; mentored a junior designer.
— Launched Project to Case, a case-study builder for student portfolios: research, user flows, UI, templates; built the MVP with Claude Code and Codex.
— Create key visuals for 26 courses across 6 study directions — the core of the role; every ad and social format is built from them.
— Built AI into daily work: visuals, illustrations and animation in one brand style — Nano Banana, Midjourney, Recraft, Kling, Claude with MCP in After Effects.
— Own merch and print, from idea to production-ready files.

### General Marketing Product Designer

2021 — 2022 / Marketing agency / Web, e-commerce, SMM

— Designed a large e-commerce store from scratch, from catalog and search to checkout; after user research we refined the purchase flow: **order conversion rose from 1.6% to 2.1%, checkout completion from 42% to 55%**.
— Designed websites and landing pages for agency clients, mostly in tech; ran social media visuals for large businesses.
— Created identities, presentations and UI kits; worked with designers, developers and managers from prototypes to developer handoff.

### Freelance Graphic Designer

2020 — 2021 / Branding, web, print

— Logos, brand identities, landing pages and print for clients in tech, fashion and media.
